

# The Woodleigh Residences

Positioned on the junction of Higher Serangoon and Higher Aljunied roads, The Woodleigh Residences is a part of a combined-use commercial and residential development that will function 667 premium residential items overlooking Alkaff Lake and Bidadari Park, whereas The Woodleigh Mall will provide shut to twenty-eight,000 square metres of retail, dining and commercial space. Developed by Kajima Growth (Kajima) and Singapore Press Holdings (SPH), the Woodleigh Residences could have 667 premium residential models overlooking the tranquil Alkaff Lake and Bidadari Park, whereas The Woodleigh Mall can have shut to 28,000 sqm of retail, dining and business house, including a supermarket.

Despite being the first landmark private residential challenge throughout the popular Bidadari housing property and a comprehensive integrated mixed growth with a 'proper' shopping center sitting subsequent to Woodleigh MRT station, some might really feel that the preliminary gross sales result from Woodleigh Residences is form of underwhelming. [The Woodleigh Residences](#)

The Woodleigh Residences , 99 years leasehold challenge developed by Singapore Press Holdings and Kajima Improvement and this challenge is a combined improvement comprising of each residential and industrial properties proper next to the Woodleigh MRT station and in the upcoming Bidadari residential estate.

Each purchasing centres have all kinds of tenant mix to cater to the residents of the The Woodleigh Residences as well as the residents of The Bidadari Woodleigh Residences can be positioned close to to Nex Procuring Centre which is situated right beside Serangoon MRT Station Interchange which is only one stop away from Woodleigh MRT Station.

The mixed industrial and residential development can be integrated with a community membership, neighbourhood police submit, the Woodleigh MRT Station and an underground bus interchange and all of nature's great glory in Bidadari Park.
